01

MAGIC SAND TABLE

AR Gardening

Scoop the sand and watch beaches, ponds and gardens come alive under your hands. Plant flowers, dig rivers — and catch projected fish with your bare hands!

Hands-on

Creative

No screens to hold

02

FAST HANDS WIN

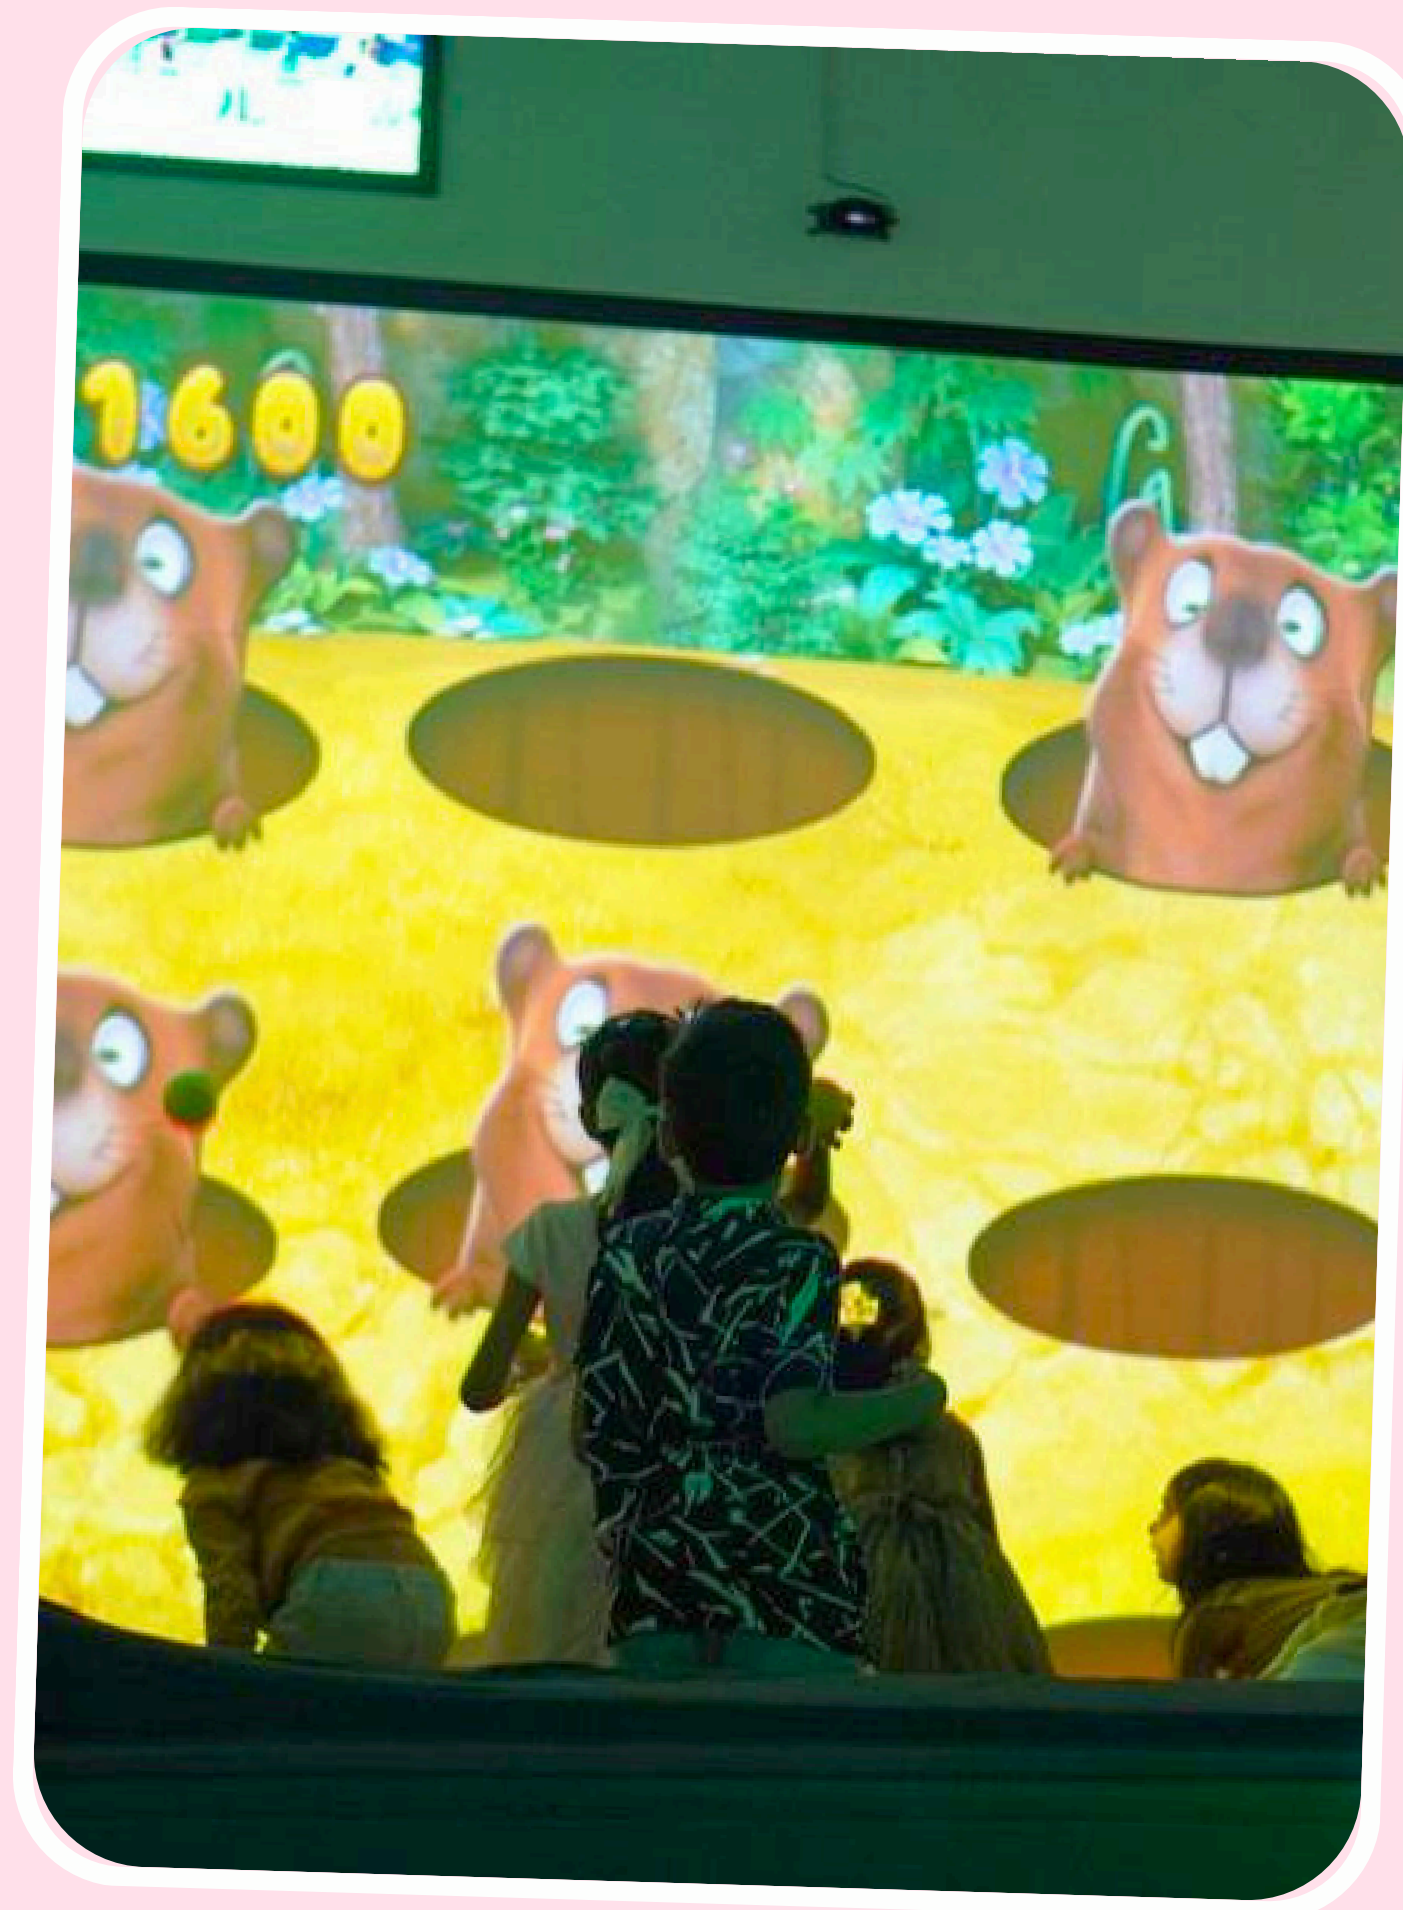

Ballpit Whack 'Em Mole

Dive into the ballpit and bop the light-up moles as they pop out. The faster your hands, the bigger your score — a giggly classic reinvented for little players.

High energy

Soft & safe

Play together

03

CREATIVE CORNER

Draw to Life

Colour a fish on paper — then watch it wiggle into a giant projected ocean seconds later. Every child's drawing becomes a living, swimming character.

Calm & creative

Take-home art

Pure magic

04

NO CONTROLLERS NEEDED

Motion Sensor Games

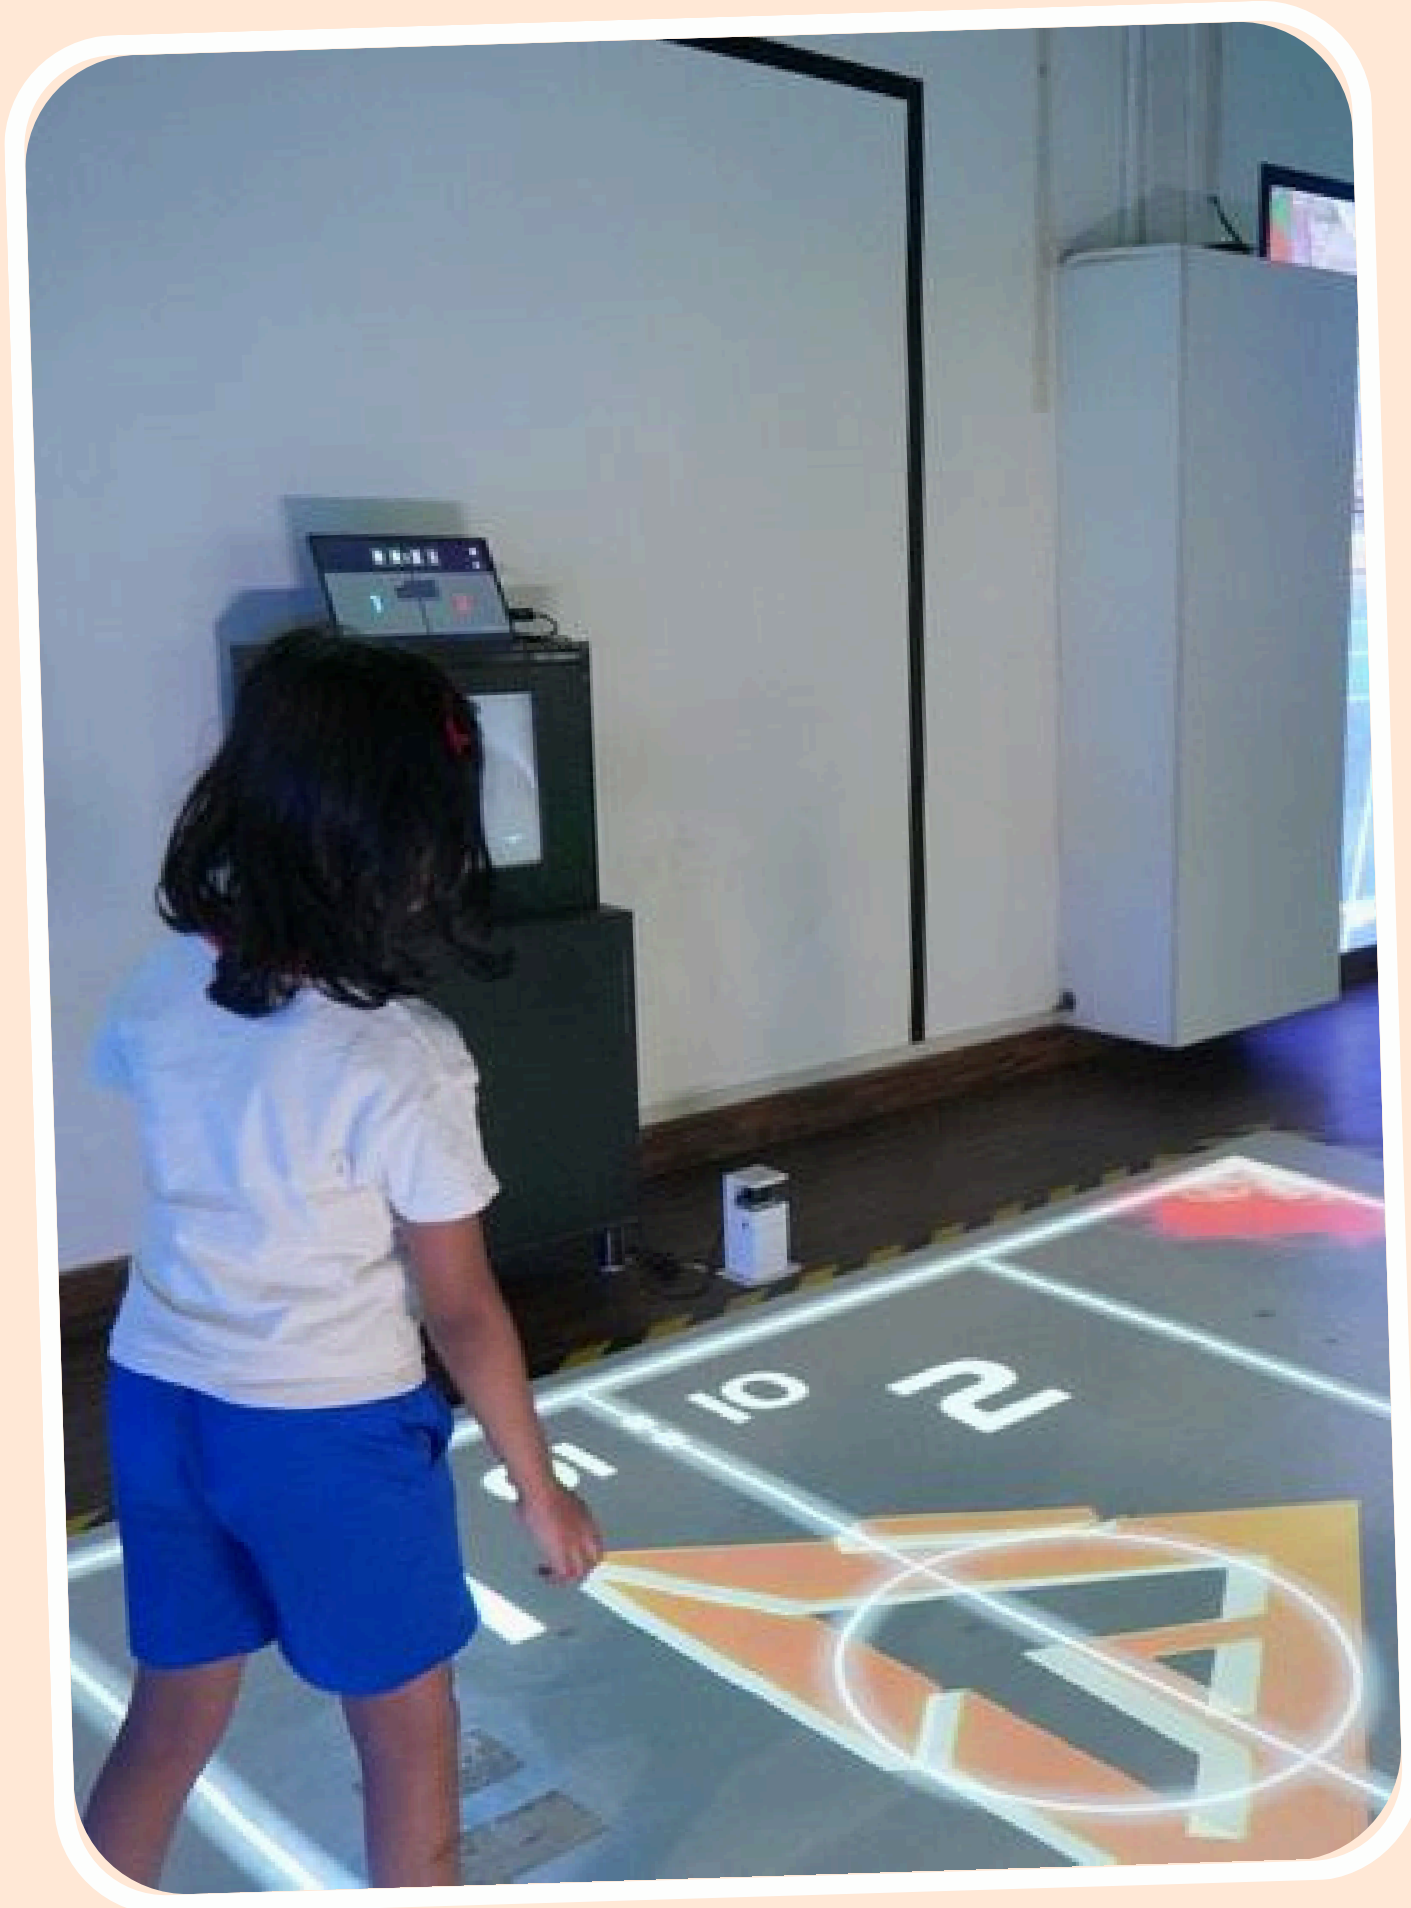

No controllers, no headsets — your body is the game! Swipe, punch and jump in front of a giant screen that follows every single move.

Jump around

Nothing to wear

Wiggle-approved

05

GAMES UNDER YOUR FEET

Floor Projections

Games beamed straight onto the floor that answer every step, stomp and jump.

Hopscotch, football and puzzles that get everybody moving together.

Stomp & jump

Whole-group fun

Always moving

06

DIG, SCOOP & BUILD

AR Sandbox

A big, beautiful sandbox packed with toy diggers, dumpers and buckets. Scoop, pile and build your own construction site — hands in the sand, imagination in charge.

Diggers & dumpers

Build anything

Classic fun

07

SNEAKY LEARNING INSIDE

VR Edutainment

Fly through the universe, meet prehistoric dinosaurs and sculpt in 3D. Learning that feels exactly like playing — because it is.

Dinosaurs

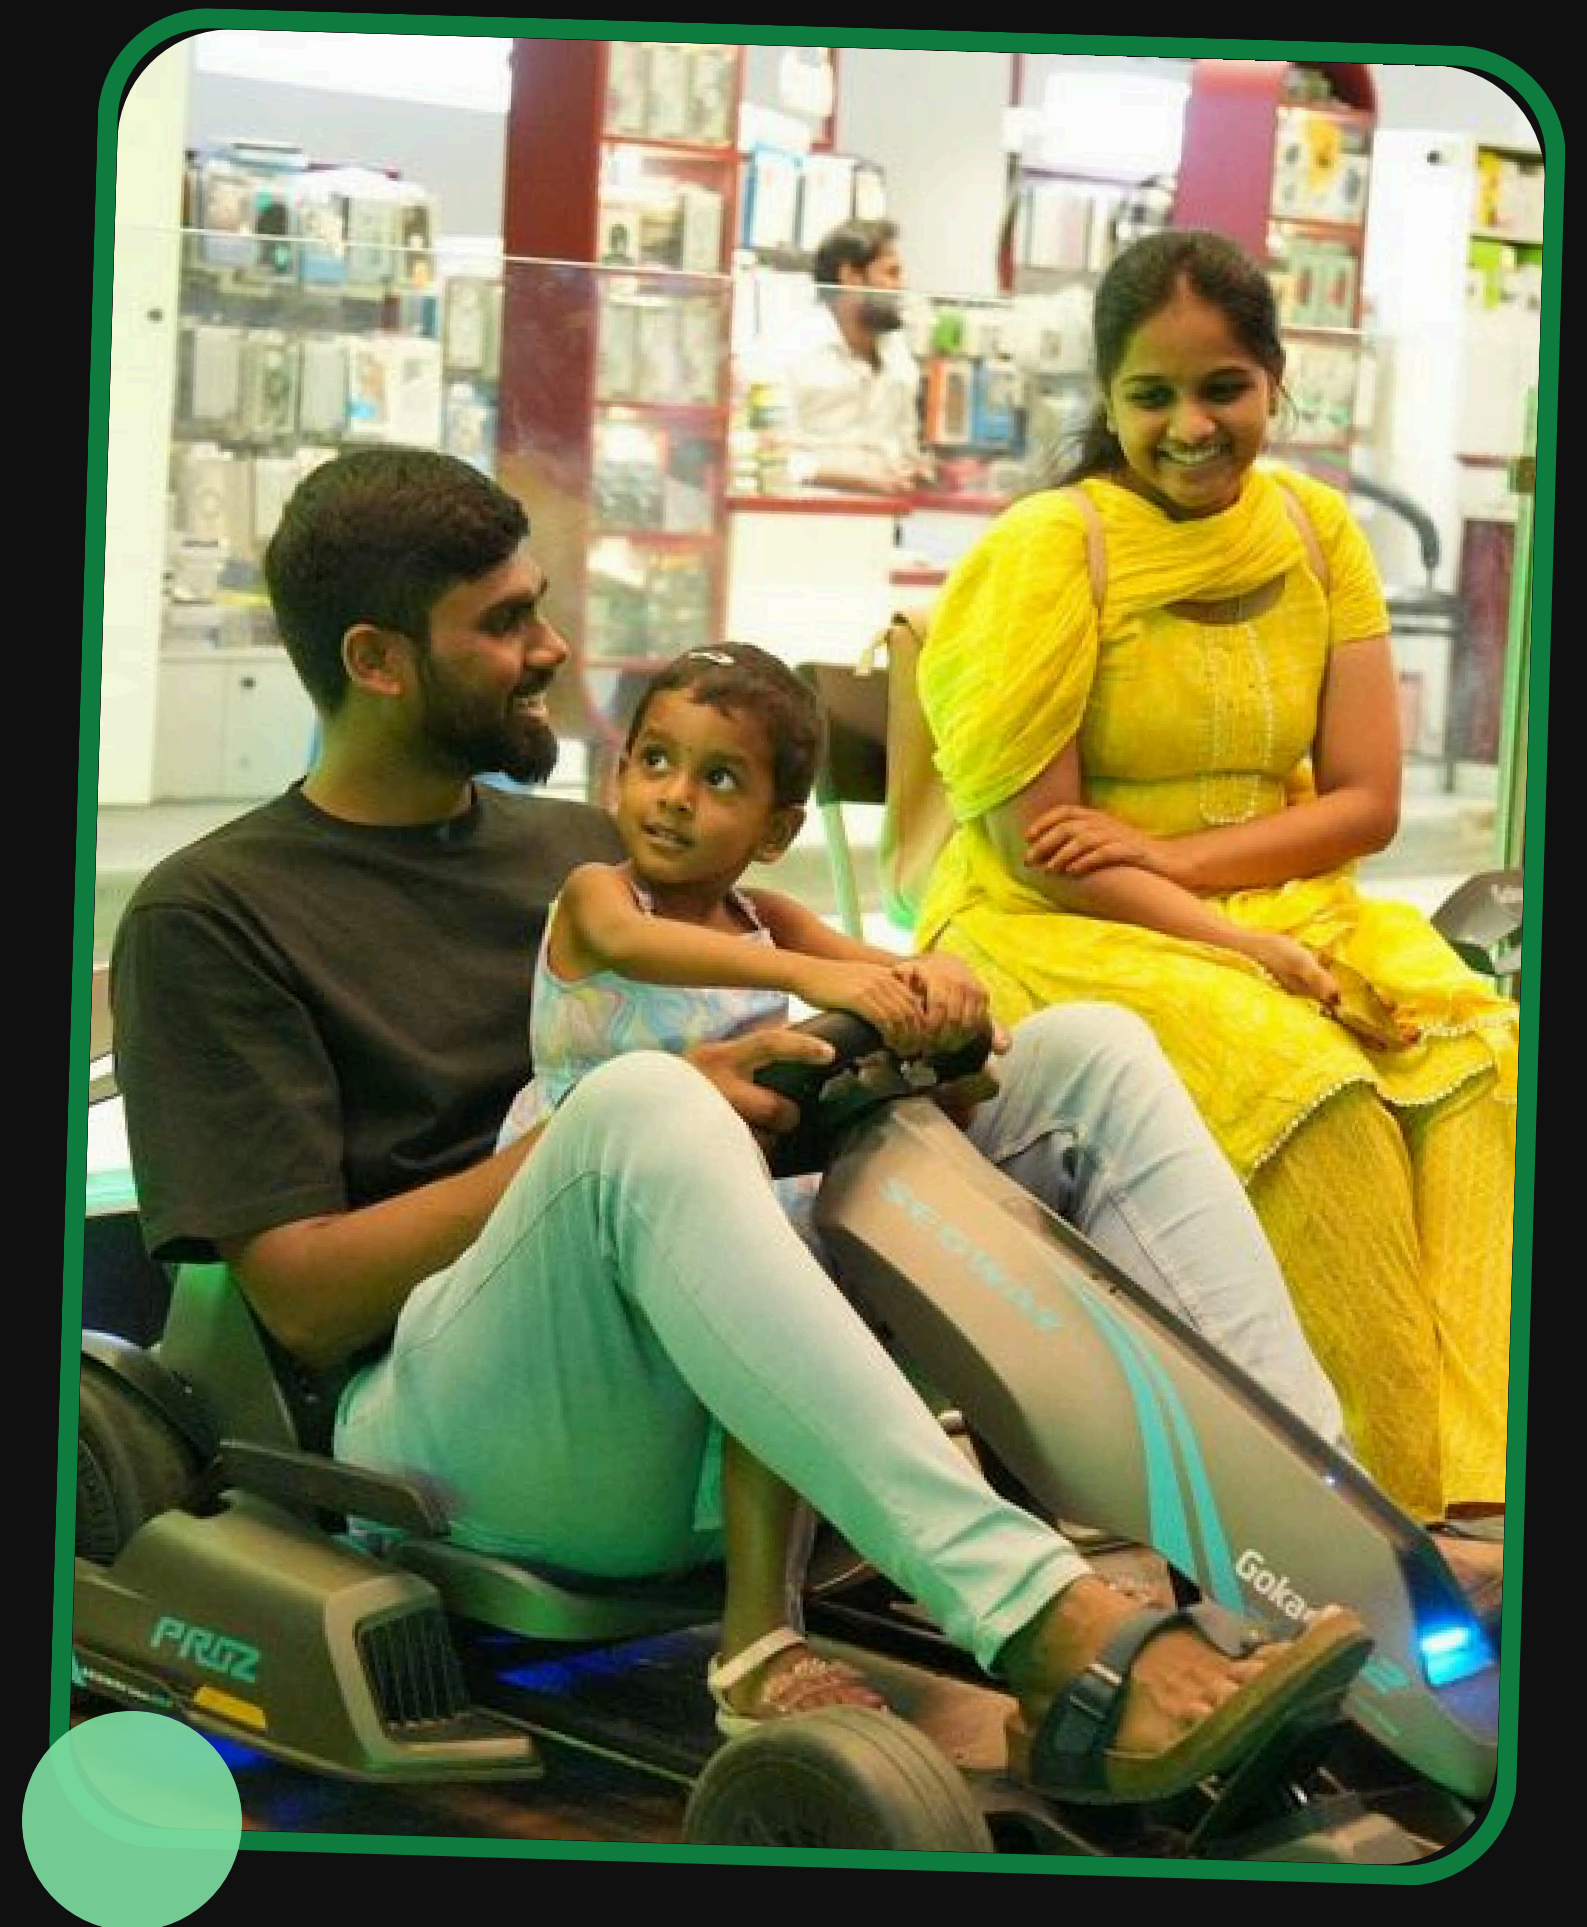

Outer space

3D creativity

MEANWHILE, NEXT DOOR...
